Assembly Instructions

1. Drill out holes in the table top, seats and stands with a 7/16" dia. drill bit.
2. Fasten the stands loosely to the inside of the cross supports.
3. Make sure the stands are vertical. If a stand is not vertical you will have to remove the bolts and rotate the stand 180 degrees, then attach it to the top and seats again.
4. Tighten all bolts and secure to floor with appropriate fasteners.

Periodic check of bolt tightness recommended.
