8' Champion Expanded Metal Direct Bury Multi-Pedestal Picnic Table 924-506

1. Bore 6no. 12" diameter holes into the ground as per drawings.
2. The holes should be at least 32" deep as shown or below the frost line in your area, which ever is greater.
3. Place 4-6" of pea rock in hole.
4. Drill out all holes on the furniture and posts with a 7/16" drill bit.
5. Place the pedestal posts into the holes and support them.
6. Bolt the table top onto the pedestal posts using bolts provided.
7. Bolt the seats on to the seat support pedestals.
8. Level table and seats and adjust to desired height. Recommended height is 20" from the ground to the top of the seats and 30" to the table top.
9. Fill the holes with concrete to approximately 2" below ground level or fill to no higher than ground level and crown the top so that water will run off.
10. Let stand for 24 hours before removing the supports.

Periodic check of bolts tightness recommended
