

**955-980**  
**Premier Umbrella Base**

*Instructions for filling:*

Tip upside down and support it so that it is level.

Mix concrete according to package instructions and pour through expanded metal bottom into the base. Be careful not to get any into the umbrella tube.

Immediately clean any excess concrete from outside of umbrella base before it sets.

Allow time to cure according to package instructions.

**Dimensions:**

18" x 18" x 6-1/2"

22 pounds unfilled
