The Durable Outdoor Furniture Solution

Finding suitable outdoor furniture for your facility can be a challenge. Premier Polysteel responds by offering tamper-proof security hardware for all our products.

In addition, all our picnic tables, benches, and receptacles are available in surface mount or direct bury (in-ground) styles.

Safety & Durability

- tamper-proof stainless steel hardware
- poly-vinyl coating will not perpetuate flame as some thermoplastic coatings have been known to do
- all products are designed with a sturdy base to help eliminate accidental tipping and falling

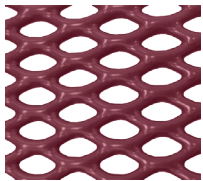

Lasting Quality

- 20 Year Best-in-Industry Warranty - because we have had ZERO claims in the last 20 years!
- UV stable, mold resistant poly-vinyl coating applied to the entire product eliminating rust and issues associated with rust

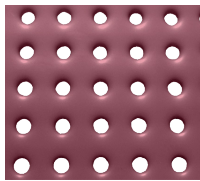

Low Maintenance

- Poly-vinyl (PVC) coated products never need to be painted - save time and money!
- Cleans easily with water, but the coated surface can also withstand most cleaning products if desired

All Champion Style Benches and Picnic Tables are Available in Expanded Metal and Perforated Steel.

Expanded Metal

Perforated Steel

Cross-Section of
Poly-vinyl Coated Leg
