- 1 Position the support frame in the desired location and anchor it to the concrete.
- 2 Drill plastic out of the mounting holes on the seats and stand using a 7/16" dia. drill bit.
- 3 Fasten the seats to the stand loosely.
- 4 Make sure that the three seats are level with each other and tighten all of the bolts.

In Accordance to California law: WARNING This product contains a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

*Periodic check of bolt tightness recommended.*
